

Lent Township Illegal Dumping Policy

Illegal dumping occurs when people dump garbage such as household waste, furniture, appliances, tires, building materials and hazardous waste in ditches or the dumpster at the Town Hall instead of utilizing the Township Cleanup Days or their own garbage cans.

No person shall place, deposit, or dump refuse in the Township dumpster or on Township property which includes Township right-of-ways or ditches.

If the Township determines a person guilty of illegal dumping in the Township of Lent, a \$500 dumping fee will be charged to that individual.

If you witness illegal dumping in progress, note the license plate, vehicle make and model, and description of violator and immediately contact the Township to file a report.

If you see items that have been illegally dumped in the Township right-of-ways or ditches, please report it to the Township immediately.

Help keep the Township of Lent beautiful by not engaging in illegal dumping and by reporting such activity immediately.
